PROFILE

I design clean, easy-to-use websites and apps, and build responsive sites in Framer. I have designed client websites at an agency and I apply AI tools in my design workflow. My English Studies degree adds clear writing and communication. I am available for full-time, contract and freelance work.

EXPERIENCE

UI/UX Designer, Sinc Partners Jun 2026 to Aug 2026
Port Harcourt
- Designed client websites in Figma as part of an agency team.
- Client names withheld under agency confidentiality.

Intern, FlyRank Jul 2026 to Present
AI-powered SEO platform | Self-paced internship programme
- Learning to apply AI across a professional design workflow, including prompting and Figma Make.
- Completed all 10 Anthropic Academy certification courses set by the programme.

Sales Representative, More Grace Interiors Aug 2025 to Jan 2026
Furniture and interiors retail
- Managed shop stock and closed sales of furniture and interior products.
